

Undergraduate* Change of Campus Form

*Graduate students should contact the graduate school or their major department.

IMPORTANT: Submission deadlines vary by campus. If you have questions regarding the change of campus process or availability of a particular program, please contact the WSU campus where you wish to enroll before completing this form. See campus contact information at the bottom of the form.

Who should fill out a change of campus form?

Submit a change of campus form to the campus where you want to enroll if:

- You are a **current WSU student** in a term that is in progress (summer excluded) or you have been out for only one fall or spring semester and you want to take classes *and be advised* at a different campus. Example: You are currently attending at Pullman and would like to complete your degree at Vancouver.
- You are a **new WSU student** who has applied or been admitted to one WSU campus for a fall or spring semester but the term has not yet begun and you wish to complete your degree through a different campus than on your original application.

You do not need to fill out a change of campus form if:

- Your advisor has agreed to let you take a course at another WSU campus to fulfill part of your requirements at your current campus. Your advisor will assist you in enrolling in a course at another campus.
- You are a former student returning to any WSU campus and have been away for more than one year. If you have been absent for more than one year, you will need to reapply for admission at the campus that you would like to attend.
- You want to take a course at another campus for summer, unless you are changing to the Distance Degree Programs (DDP) for all future advising. NOTE: You must have at least 27 semester credits and no more than 109 semester credits to transfer to DDP.

Conditions:

- ✓ Admission or enrollment at one WSU campus does not guarantee admission or enrollment eligibility at another WSU campus.
- ✓ Each WSU campus may have different notification timelines.
- ✓ If you are approved for admission and enrollment at the new WSU campus, you relinquish your space at your current WSU campus.
- ✓ You may be required to participate in a mandatory orientation program at the campus you are requesting to attend before you will be able to register for classes. Please speak with an advisor about this possibility before submitting the change of campus form.
- ✓ When you change campuses, you are also changing advisors. **You must contact your new advisor before you will be able to register.**
- ✓ If you were academically deficient at the end of the last term you attended, **you will need to go through the reinstatement process at the campus you are requesting to attend before your change of campus can be completed.** NOTE: Reinstatement conditions and forms are campus specific.
- ✓ It is your responsibility to contact the Office of Financial Aid and Scholarships at the new campus if you have applied for, or been awarded, financial aid and scholarships.
- ✓ Note: If you are admitted to or enrolled at one of the following campuses, you are also eligible to enroll at the campuses listed below:
