ANTICIPATED START DATE AT WSU: SEMESTER/YEAR

I understand I am conditionally admitted to WSU-DDP subsequent to completing the following requirements at North Seattle Community College (NSCC):

- a. Completion of an Associate of Arts degree appropriate to the planned baccalaureate field of study (i.e., including all prerequisites), or
b. Achievement of the program-specific GPA required for entry into the planned baccalaureate program, and
c. Good standing status with any other educational institutions attended.

I understand my student records and other relevant information will be shared with and made available between Washington State University and NSCC as appropriate and in keeping with the Family Educational Rights and Privacy Act (FERPA) regulations.

I further understand I will be conditionally admitted to WSU-DDP for a period of four consecutive calendar years (16 consecutive quarters or 12 consecutive semesters, including summers) from the date of co-admission to NSCC and WSU. If I do not begin taking courses at WSU within that time period, I will no longer be conditionally admitted to WSU.

I also understand that acceptance into WSU requires that I complete a WSU transfer application for the semester I wish to be admitted.
