through Washington State University-Distance Degree Programs (WSU-DDP).

Form fields: LAST NAME, FIRST NAME, MI, PREVIOUS LAST NAME(S), MAILING ADDRESS, CITY, STATE, COUNTY, ZIP, DAY PHONE, EVENING PHONE, E-MAIL ADDRESS, WSU ID (IF AVAILABLE), DATE OF BIRTH, ANTICIPATED START DATE AT WSU: SEMESTER/YEAR

I understand I am conditionally admitted to WSU-DDP subsequent to completing the following requirements at Olympic College (OC):

- a. Completion of an Associate of Arts degree appropriate to the planned baccalaureate field of study (i.e., including all prerequisites), or
b. Achievement of the program-specific GPA required for entry into the planned baccalaureate program, and
c. Good standing status with any other educational institutions attended.

I understand my student records and other relevant information will be shared with and made available between Washington State University and OC as appropriate and in keeping with the Family Educational Rights and Privacy Act (FERPA) regulations.

I further understand I will be conditionally admitted to WSU-DDP for a period of four consecutive calendar years (16 consecutive quarters or 12 consecutive semesters, including summers) from the date of co-admission to OC and WSU. If I do not begin taking WSU-DDP courses as a transfer student regularly enrolled at WSU within that time period, I will no longer be conditionally admitted to WSU. I understand this conditional admission to WSU-DDP guarantees full admission to WSU-DDP if I complete the above requirements, but does not guarantee admission to any particular program of study or the continued availability of any program of study. I also understand that acceptance into WSU requires that I complete a WSU transfer application for the semester I wish to be admitted.
