

View your Grades

1. To view your grades, select **Reports** on the **Map**.

Report Settings | Saved Reports

Choose Report

Category	Report	User(s)
Grades	Student Grades	Mackessy, Mike

Configure Report [\[-\] Collapse](#)

Select report view: Page Link

2. On the **Reports** page, fill out the fields as above. Under **Category** select **Grades**, from the dropdown menu, and under **Report** select **Student Grades**. Your name will be the only one listed under **User(s)**.
3. To view the report select **Run**.
